Catering Tips

- Sample the food that will be served at your event.
- What's included? Utensils, plates, napkins, serving pieces, delivery and service etc.
- Who will serve the food? Who will clean up?
- Be sure there is enough serving space, electrical outlets and tables available at your location.
- Do you need to rent serving pieces or provide them? What items will need to be returned?
- If you pick up the food, is there refrigerator storage available at your location?
- Will the food be available for the entire reception?
- What will be done with any remaining food?
- Ask someone to oversee the caterers and bring storage containers for any extra food you may want to keep.
